

199—13.7(479B) Pipeline permit. If after hearing and appropriate findings of fact it is determined a permit should be granted, a permit shall be issued. Otherwise, the petition shall be dismissed with or without prejudice. Where proposed construction has not been established definitely, the permit will be issued on the route or location as set forth in the petition, subject to deviation of up to 660 feet (one-eighth mile) on either side of the proposed route. If the proposed construction is not completed within two years from the date of issue, subject to extension at the discretion of the board, the permit shall be void and of no further force or effect. Upon completion of the proposed construction, maps accurately showing the final routing of the pipeline shall be filed with the board.

A permit shall normally expire 25 years from date of issue. No permit shall be granted for a period longer than 25 years.
